Dove inserire le credenziali di accesso.

Qualora non dovesse comparire la pagina di login ma la seguente (o simile su altro browser):

Cliccare sul link sopra indicato dalla freccia, e si verrà indirizzati alla pagina di login.

4. Inserite le credenziali il collegamento ad internet sarà attivo ed apparirà la seguente pagina:

5. Per scollegarsi cliccare su log off.
6. **Al primo collegamento sarà obbligatorio cambiare la password fornita in fase di attivazione delle credenziali!** Per fare ciò collegarsi alla home-page del sito d'Istituto:

e cliccare su “Radius Manager”.

Si aprirà la seguente pagina:

The screenshot shows the 'User Control Panel' for 'DMM RADIUS MANAGER'. It features a 'Secure login' section with input fields for 'User name:', 'Password:', and a 'Language:' dropdown menu set to 'English'. A 'Login' button is positioned below these fields. Below the login section are links for 'Forgot my password' and 'Register an account'. At the bottom, a cookie consent notice states: 'This website uses cookies which are mandatory for a proper function of the system. The cookies are used for storing the user's default language etc. The cookies **doesn't collect any statistical or analytical information** and can be examined, removed or blocked in the webbrowser. If You don't agree, please don't use this website.'

nella quale inserire le credenziali di accesso. In questo modo si accederà alla propria pagina di gestione account:

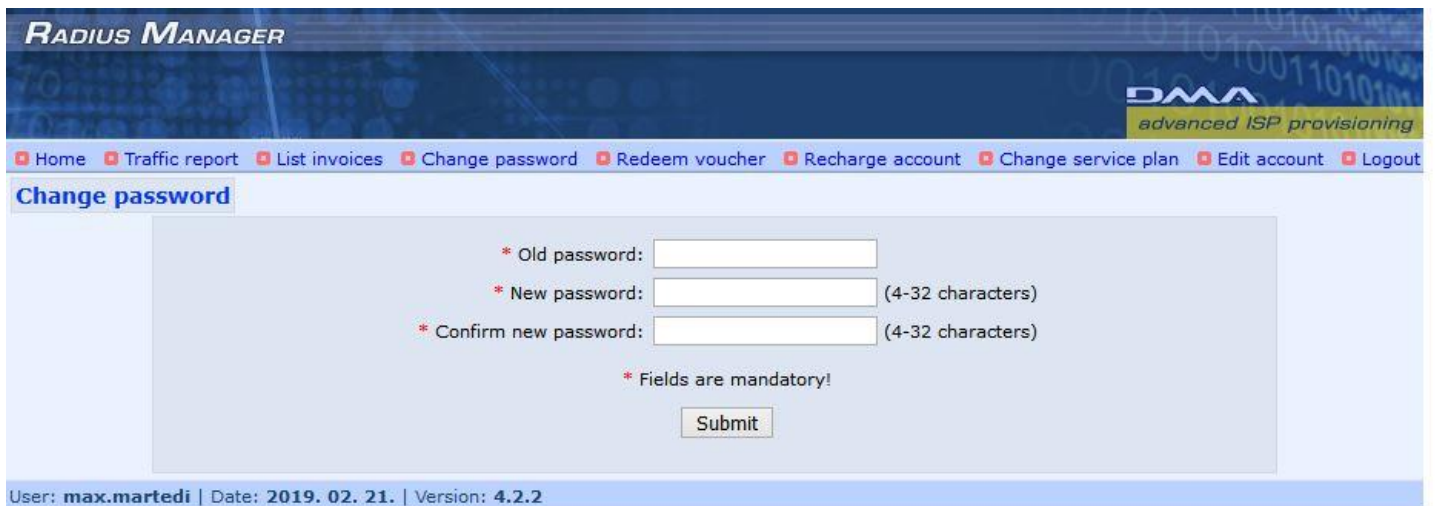

The screenshot displays the 'My account' page with a navigation menu at the top. A red arrow points to the 'Change password' link in the menu. The page is divided into four sections: 'General information', 'Service data', 'Personal data', and 'Limits and quotas'. Each section contains a table of user details.

Cliccare su “Change password” e procedere riempiendo i seguenti campi:

The screenshot shows the RADIUS MANAGER web interface. At the top left, the text "RADIUS MANAGER" is displayed. On the right side, there is a logo for "DMA" with the tagline "advanced ISP provisioning". Below the header, a navigation menu contains several items: Home, Traffic report, List invoices, Change password, Redeem voucher, Recharge account, Change service plan, Edit account, and Logout. The "Change password" option is highlighted. The main content area is titled "Change password" and contains three input fields with red asterisks indicating they are mandatory: "Old password:", "New password:", and "Confirm new password:". The "New password" and "Confirm new password" fields include a character count "(4-32 characters)". Below the fields, there is a note "* Fields are mandatory!" and a "Submit" button. At the bottom of the page, a footer displays "User: max.martedi | Date: 2019. 02. 21. | Version: 4.2.2".

Infine cliccare su “Submit” e sarà attivata la nuova password sia per l’accesso in internet che per quello su Radius Manager.
